

About Lions

Lions is in 185 countries with about 1.4 million members, making it the world's largest service club organisation.

The first Lions Club in Australia was Lismore in 1947. Australia now has around 1400 clubs with over 28,000 members.

Lions Club of Beecroft-Cheltenham started in 2003 and now has a membership of 30.

Our membership includes business owners from Beecroft and other members who live in Beecroft and surrounding suburbs.

The club has a wide range of projects in which you may participate and it is up to you as to your level of project involvement.

A range of activities

At Lions Club of Beecroft - Cheltenham, people from our community help organise a range of activities for all ages.

The Beecroft In Bloom Festival we hold each year, is a day for all ages to enjoy.

We also work closely with the schools that serve our community and invite students to take part in programs including the Lions Youth of the Year Quest, Lions International Peace Poster Competition and also the Lions Youth Exchange program.

Our schools program includes acknowledging community service efforts of school children, in our community.

Like to help ?

We raise funds to provide local special children with specialised mobility and communication devices, and help our older community members too, with bus trips and BBQs with Chesalon Care.

Christmas is a time we help share the Christmas Spirit by holding craft days for children in the Village Arcade, helping collect Letters for Santa and helping Santa when he visits each year!

Of course trivia nights and BBQs are a nice social event where we get to meet each other in our community as well as raising funds for worthy projects.

Contact us today !

If you would like to visit and find out more about joining our club you would be welcome. The amount of time you offer is really up to you.

We generally meet on the third Monday of each month, where we have a meal, are entertained by interesting guest speakers, and review our activities both completed and those planned for the coming months.

We are all busy and so not all members can make every meeting which is fine, as we catch up by email and during our activities as well.

If you don't have much time, you can have a light involvement or if you would like to become more involved that is welcomed too.
